

# Strathmartine Hospital Histories Project

## Exhibition

**Tuesday 30 August to Saturday 1 October 2016**  
**Meffan Institute - Museum and Gallery**  
**20 West High Street, Forfar, DD8 1BB**

Strathmartine Hospital Histories is a Heritage Lottery Funded project. It collected the memories of people who lived and worked at Strathmartine Hospital in Dundee when it functioned as a long stay institution for people with a learning disability.

The project leaves behind a number of legacies which we hope will keep the story of Strathmartine in people's memories for a long time.

Find out more about the project and what it has discovered at the Meffan Institute in Forfar, beginning from Tuesday 30 August until Saturday 1 October 2016. You will be able to:

- **Discover the history of Strathmartine Hospital**
- **Read the memories of former residents and staff**
- **See the storytelling toolkit, newsletters and other materials**

**For more information about the exhibition** contact
